PCT/EP00/08774**

REMARKS

Applicants respectfully request the Examiner to enter the above amendments prior to examination of this application.

Status of Claims

Claims 18 to 38 will be pending after entry of the present amendment. Claims 1 to 17 are being canceled without prejudice.

Amendment

The specification is being amended to insert section headers and an abstract of the disclosure in accordance with 37 CFR §1.77 to better conform with US patent practice. The specification is also being amended to insert a cross-reference to related applications in accordance 37 CFR §1.78 and to claim priority to those applications listed therein. Attached hereto is a marked up version of the changes made to the specification entitled "Version With Markings To Show Changes Made."

New Claims 18 to 38 replace original Claims 1 to 17, and are being presented to better conform with US patent practice. These new claims are supported by the specification for example as shown in the Table below (cites to the specification are for the English translation):

Claim	Support in Specification
